

Community Standards for Alcohol Use by Adults

The use of alcohol by adults is a personal choice. Adults have the legal right to drink responsibly. They also have the option not to drink.

For adults who choose to use alcohol:

- Drink in moderation, not to intoxication.
- Avoid the use of alcohol when driving a car, boat or other motor vehicle or when operating equipment. Also avoid alcohol use when pregnant or breast-feeding and when taking medication.
- Be a good role model for others, especially minors.
- Never ride with an intoxicated driver
- Always attempt to prevent others who are under the influence from driving
- Discourage the glamorization of alcohol and its effects.
- Promote the development of sound alcohol policies.
- Obey all laws regarding alcohol. For example, it is illegal to provide alcohol to minors.
